

27/11/06

A new festival event is happening in Motueka on the 6th of Jan 2007 at Sportspark Motueka. Called **TASTE THE SUNSHINE**, this event will be held between 2.00pm and 8.00pm and will feature food, wine, and music.

The music program will be announced shortly once negotiations are completed with an entertaining and well known music group. There will be entertainment area set aside for children.

The festival event will be held on the main rugby ground inside the fenced area at Sportspark Motueka and the stage will be set up in the middle of the ground and will face the new Goodsport Motueka grandstand. A festival polycarbonate glass will be provided and is part of the ticket price. Car parking space has been arranged with Motueka High School on the field at the end of Talbot St.

We are currently looking for community organisations or businesses to run food stalls to offer the best that our district can offer in the way of food said Colin Truman, and it is our aim to make this an annual event for Motueka and our region.

The organising committee comprises Megan Strong, Chris Drummond and John Inglis and Colin Truman and profits from the event will go towards the building fund for the new community hospital
